

Book Week add video	Through a series of fun activities, this week celebrates our joy of reading. We also recognize the importance of giving credit to other people's creative work.
Camp	Camping is very important to the primary program. Groups have a 24 hour camping outing. It is an unforgettable experience.
Field Trips	To complement the curriculum, trips are organized during the year to archaeological sites, museums, municipal services e.g. fire station, zoos and restaurants.
Holiday Pageant	This is when we recognize and celebrate the different holiday traditions around the world through song and dance.
Red Ribbon Week add video	Established originally in the USA, this movement emphasizes good decision making and respect. Every day throughout the week children participate in thought provoking activities.
World Food Day	It is important for students to value their nutrition and how others may not have the same advantages. Students analyze their eating habits and for one day, put themselves in the shoes of those less fortunate eating rice and beans.
Day of the Dead	It is very important to keep our traditions. The Day of the Dead is a Mexican festival and we celebrate it with tombs, rhymes, typical bread, altars, etc.
Halloween	Our school is bilingual and unites both American and Mexican traditions. The PTA organizes a themed event which includes kindergarten through 12th grade. It is a family event and everyone is invited.
Easter	A spring festival including egg hunt, face painting, bingo, hat contest and students are allowed to bring their bicycles.
Father's Day	This culminates through a soccer tournament and a marathon in school for fathers only.
Mini Olympics	It is our priority to stimulate our students in an active environment. Every year we celebrate a different country or sporting event. During several weeks the children work towards this event that entails many activities: wheel race, relay, obstacle course, penalty kick etc. Parents enjoy participating as well.
Mother's Day	Mother's are celebrated in an innovative way. Every year is

	different.
Children's Day	In past years we have celebrated this day by having a water day, a trip to the cinema, the zoo and water park to name just a few.
Talent Show Missing	Our children show their best aptitudes and talents to the whole school in dance, song, gymnastics, magic, etc. This is not a competition.
Mathletics Week	A math competition where students compete against children from other parts of the world.
Spelling Bee faltan más fotos	A school-wide competition where students measure their abilities.
Hour of Code	A week where students are introduced to computer programming through a series of online games.
Graduation Ceremony and Trip	<p>Each beginning has an end, it is very important to appreciate the success that our students have and the graduation is the culmination of their primary. This is a formal ceremony where we record their memories of their time in school. It is important that parents participate making this ceremony a special one.</p> <p>Different locations have been chosen to bring to an end the elementary stage.</p>
Science Fair	Organized to stimulate critical thinking and investigation. Projects are showcased for parents and other students.
Poetry Recital	Using the ability of memory, students present literature written by Hispanic poets.
Flag Ceremonies	Every Monday a group is responsible for directing the civic ceremony in which historical events are mentioned.
Values Program	Annual program based on the basic human values and how we may use them in our community.
Mexican Independence Day	
Bicultural presentations
